IMPROVISATION

ENHANCE YOUR TEAM'S COMMUNICATION AND COLLABORATION SKILLS

Your team will gain an introduction to improvisation and its well-known "Yes, and..." principle, a powerful tool for developing communication skills and building cohesion in high performing teams. They will tune into their playful side and connect with each other in a way that is safe, engaging, and fun as they are guided through a series of practical improvisation exercises that enhance connection, communication and collaboration.

For a personalised offer, please contact corporate@closeencounterstheatre.com

PRESENT YOURSELF

ELEVATE YOUR TEAM'S LEADERSHIP PRESENCE

Participants will learn how to connect with an audience in an authentic and present way. We will focus on developing communication skills through proper execution of the voice. Furthermore, we will unpack nonverbal communication and give your team tools to present themselves as confident and engaging.

For a personalised offer, please contact corporate@closeencounterstheatre.com

EMPATHIC COMMUNICATION

TOOLS FOR MASTERING DIFFICULT CONVERSATIONS

Building an empathic culture in your organization is now recognized as key to success. The research confirms that empathic workplaces enjoy less stress, stronger collaboration and greater morale. It also improves employees' abilities to manage difficult events and situations. In this workshop we combine our skills in drama, relational counseling, coaching and psychotherapy in order to provide you and your team practical, inspiring and relevant exercises and resources to cultivate empathic communication in your organization.

REVIEWS

"A fast paced training packed with incredibly valuable knowledge served in a very engaging and effective way. I have no doubt it greatly improved our communication skills that we'll continue to benefit from moving forward.

— Karol Stosiek, Engineering Manager, Zürich

"I highly recommend Tara Brodin's workshop to any organization seeking to elevate their team's communication and interpersonal skills."

— Jean-Luc Haefflinger, EY - People Advisory

"Tara designed and led the perfect workshop for us. It was inspirational, provoked a lot of deep thinking about leadership presence and helped build concrete skills. Most importantly, it was a lot of fun and a wonderful chance for our group to connect and understand each other at a deeper level."

— Michelle Grant, ETH Zürich
